

INTERNATIONAL TAXATION 2010

A Global Perspective

TRUE PARTNERS CONSULTING INTERNATIONAL NETWORK (TPCI) CORDIALLY INVITES YOU to an International Tax seminar to be held in Munich, Germany on June 17th and June 18th, 2010. This seminar will focus on the challenges of managing your tax exposure and risk in an ever changing global marketplace. The topics will be presented both in panel discussions and comprehensive case studies.

- Indirect Taxes – Implementation of the 2010 VAT changes including the additional statistical reports and the impact of recent decisions of the European Court of Justice
- Tax Issues Related to Expansion into New Markets
- Transfer Pricing Topics to be discussed:
 - i. The OECD Proposed Revisions to the Transfer Pricing Guidelines
 - ii. The impact of the OECD Draft Report on Business Restructuring on transfer pricing
 - iii. “Real world” issues concerning business restructuring and the transfer of IP, functions and risks
- Jurisdictional Tax Updates – China, France, Germany, Hong Kong, Italy, Netherlands, Singapore, Spain, UK, US

Presenters are from these TPCI Network Firms:

ArtemTax International	France
RP Richter & Partner	Germany
Studio Manzoni Pagliero Vanz e Associati	Italy
